The mission of the Hawai'i Society of Urban Forestry Professionals is to ensure a well-managed and enhanced urban environment of Hawai'i by improving and refining the art and science of urban forestry.

HSUFP Membership Principles

- Observe, adopt, and promote the Membership Principles of HSUFP.
- Abide by HSUFP Bylaws and Policies and Procedures.
- Advocate for the wise management, improvement and protection of Hawai'i's flora, urban forest, and ecosystems.
- Exercise current professional standards and best management practices based on the art and science of urban forestry and related fields.
- Contribute my skills, talents and time to HSUFP and the industry.
- Encourage and maintain open communication and collaboration with other industry professionals.
- Participate in professional development and educational opportunities.
- Lead by example through professional behavior, mentoring, and performance.
- Accurately represent my professional qualifications and those of my employees and associates.
- Adhere to honest, respectful and equitable business practices.
- Emphasize personal, public, employee and property safety through advocacy, training, and implementation of best practices.
